

ELSPRO LED Street / Path / Square Lighting SCOOPLINE

SPECIAL FEATURES:

- 24, 48 or 60 high-performance LEDs
 - Rated power 55 / 110 / 135 Watt
 - Plastic powder coated diecast aluminium housing
 - Cool body with a large number of cooling ribs
 - Colour temperature: 5,000 K
 - Ambient temperature: -40°C to +50°C
 - Ingress protection type: IP65
 - Low weight, only 6.9 kg or 13.1 kg respectively
 - Flexible installation on tilting columns, suitable for a mast diameter of 40–60 mm
 - Adjustable illumination angle
 - As a pole-top lamp from 0 to +5° or +10°
 - As a pole-side lamp from 0 ±5° or ±10°
 - No tools required to open connection chamber
- Optimum light output, homogeneous light pattern
 - Low energy costs
 - Robust, weather resistant, hard-wearing, long service life
 - Excellent heat management
 - Daylight white
 - Also suitable for larger fluctuations of ambient temperature
 - Dustproof and water-jet-proof
 - Simple and secure mounting
 - Can be mounted as pole-top or -side lamps
 - Optimum direction of light cone
 - Straightforward to attach lamp

SCOOPLINE 55

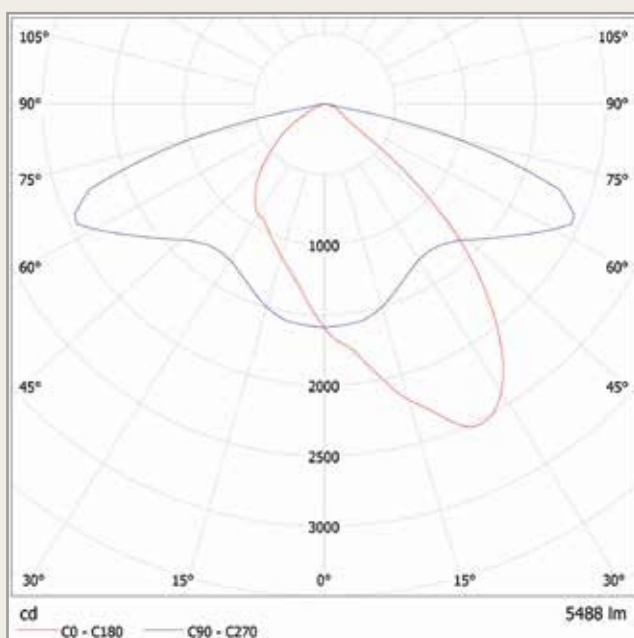

ELSPRO LED Street / Path / Square Lighting

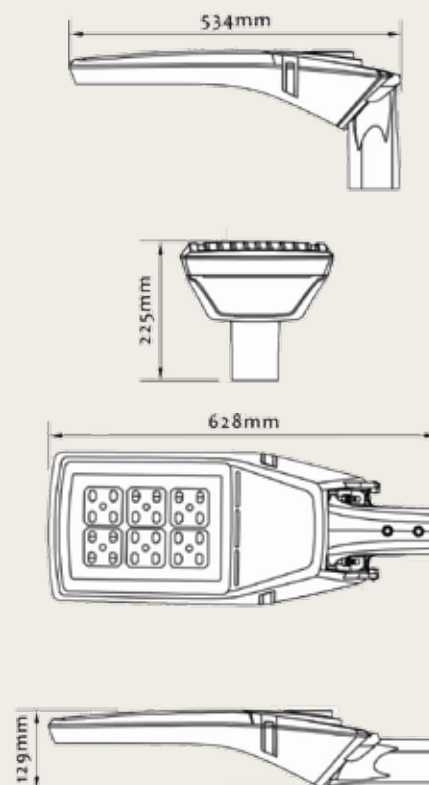

VERSION:

Voltage	Output	Lumen	Dimensions in mm (L x W x H)	Weight	Lamp	Order No.:
220 - 240 V AC 50 / 60 Hz	55 W	5,500	534 x 246 x 225 628 x 246 x 129	6.9 kg	6 x 4 LED panel	ESLI55
