**Radiant beauty...**

Designed for the illumination of all construction and assembly sites in industry and trade, for rescue and emergency services, for control missions, army and events.

- High availability due to individually driven LED modules
- Modular design, LED modules and drivers individually interchangeable
- Directly after switching on, full power and large-area uniform illumination
- Lighter and quicker assembly of the lighting unit
- Tool-free assembly and disassembly due to captive safety spring-loaded plug and scraper ring
